EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

IN THE CLAIMS:

Claim 5, line 14, "complex first" has been replaced by --first complex--; line 29, after "conjugate", --unit—has been inserted.

Claim 22, line 22, --of said synchronous—has been deleted.

Examiner's comment

2. Note that the above examiner's amendment is required in order to correct for a few minor informalities in each of claims 5 and 22. More specifically, in claim 5, line 14, "complex first" has been changed to "first complex" so as to be consistent with subsequent recitation "second complex product" in claim 5, line 30. In claim 5, line 29, "unit" has been inserted so as to be consistent with its antecedent in claim 5, line 22. In claim 22, line 22, "of said synchronous" is redundant because it has been repeated twice.

Information Disclosure Statement

3. The information disclosure statement filed 3/12/07 has been fully considered.
